The Classic at Sturgeon Bay

June 4th & 5th

The 16 members competing in the 2016 Classic faced several challenges from weather, wind and waves to the smallmouth bass finishing up their spawn. The members that focused on taking the time to target spawning beds are the ones that came out on top. Over the 2 day tournament a total of 78 fish caught for a total of 219.92 of bass! At the end less than 3 pounds separated 1st from 4th place.

The Classic at Sturgeon Bay Champion – Paul Donish

Day 1 total 15.94 lbs

Day 2 total 14.49 lbs

Total Weight 32.87 lbs

Paul's strategy was to focus on fishing bedding smallmouth bass in the wind-protected areas of Sturgeon Bay using small tubes to force a reaction or defense bite from the bass.

The Classic at Sturgeon Bay

1st Place – Paul Donish – 32.87lbs

2nd Place – Jeff Henningson – 31.02lbs

3rd Place – Scott Hodera – 30.79 lbs
